Crime Free Multi-Housing (CFMH) is a crime prevention program designed to reduce illegal and nuisance activity from occurring in rental communities.

The CFMH Program is designed to create safer apartment communities through education and creating relationships between owners, managers, residents, and police by implementing three phases:

Phase One: Management attends a one-day workshop covering...

- Overview of the CFMH Program
- Applicant Screening Process
- Combating Illegal Activity
- Police and Community Working Together
- Proactive Property Management
- Residential Tenancy Legislation
- Phase Two: Security Assessment
- Next Steps in the CFMH Program

Phase Two: Properties undergo a security assessment by local law enforcement.

Phase Three: Residents attend a Safety Social to learn crime prevention techniques and how to make their homes safer.

Promoting safer apartment living for safer communities.
